Creative Classes
2021

International House Bristol

3 afternoons each week students can take free creative classes, where they learn a new skill and work towards a project. Classes are fun, practical and ensure maximum exposure to the kind of English you need for both work and leisure. Choose from:

- **Photography**: combines classroom-based, photography-related lessons with lots of photography field work and editing skills
- **Film Making**: engages you in the enjoyable and creative process of producing short video clips
- **Drama**: you work on pronunciation, stress and intonation, plus the necessary dramatic skills to put on a performance of a musical drama
- **Journalism**: takes you through some of the key components of English-language newspapers and the creation of a group paper.
- **DJ**ing
